

Coccaro Golf Club

www.masseriatorrecoccaro.it

Coccaro Golf Club is located in the masseria and is surrounded by 700-year-old olive trees and almonds usually blossoming in March.

From the course, you have a clear view over the Mediterranean sea and the plane of olive trees that are so typical of Fasano area.

The course is quite uneven, with several ups and downs and water hazards, such as the lake of holes 2 and 8, and the maquis near holes 4 and 7.

Some of the green areas are located at different levels to appreciate short throws and the ancient olive trees that are often part of the game.

The large driving range, surrounded by ancient olive trees, gives you the chance to practise with 270 mt targets.

The Putting Green and the Pitching green are also fitted with a bunker aimed at improving performance on sandy terrain.

Rental of Golf sets, golf trolleys and carts available.

Golf players can enjoy the exclusive services provided by the masseria, such as changing rooms, beauty centre, restaurant, heated pool and beach club.
